By affixing the signature above, the previous owner hereby assigns all rights, title and interest in and to the cells from the animal identified above to the new owner. By executing this document, the new owner acknowledges and agrees that the storage of the cells is the subject of a Cell Banking Agreement with VetStem, Inc., and as such, new owner agrees to be bound by the terms and conditions of said agreement, including without limitation, payment of the annual fee and any additional fees charged to such new owner's veterinarian in order to process the cells for use. The previous owner agrees to indemnify, defend and hold VetStem, its shareholders, directors, officers, employees, agents and other representatives harmless from and against any and all claims, suits or demands for liability, damages, losses, costs and expenses (including the reasonable costs and expenses of attorneys and other professionals) arising out of, or resulting from the transfer of ownership of the cells pursuant to this document.
